

CUSTOMER ESCALATION FORM
Support Operations - internal use only

Reference: ESC-0041

Date raised: 2026-06-17 19:57:44

Raised by: A_TESS (Billing Support, Remote-PH)

Customer name: Desmond Achterberg

Product area: account_access

Order reference: ORD_1141

Summary of complaint

Customer is unable to authenticate. An automated lock was applied after repeated verification attempts and has not lifted. The account is entirely inaccessible while the lock remains in force.

Requested action

Complete identity verification to the approved standard and release the account lock.
