

CUSTOMER ESCALATION FORM
Support Operations - internal use only

Reference: ESC-0012

Date raised: 2026-05-28 20:32:04

Raised by: A_ROSA (Billing Support, Manila)

Customer name: Bellini, Marco

Product area: returns

Summary of complaint

Part of a multi-unit consignment arrived damaged while the remainder is already deployed on site. Standard returns handling would require the whole order back, removing equipment that is functioning correctly.

Requested action

Grant a partial-replacement exception outside standard returns policy and issue a case reference to the customer.
