

CUSTOMER ESCALATION FORM
Support Operations - internal use only

Reference: ESC-0026

Date raised: 2026-06-23 21:39:47

Raised by: A_LIAM (General Care, Manila)

Customer name: M. Tanaka

Product area: account_access

Summary of complaint

Customer is unable to authenticate. An automated lock was applied after repeated verification attempts and has not lifted. The account is entirely inaccessible while the lock remains in force.

Requested action

Complete identity verification to the approved standard and release the account lock.
